

SEA DOO AND DINGY'S

All Slips must be reserved or contracted in order to be occupied.

Should you require a slip for your dingy or sea doo, please make arrangements with marina staff. Staff will review costs and docking procedures with you.

CLEAN MARINE PROGRAM

Whether you take to the water by power, sail or paddle, the pleasure we all derive from boating is based on our enjoyment of the pristine waters and scenic shorelines. To ensure that we have a clean and healthy environment for our enjoyment today and for future generations, Ontario's marina operators are leading the way, voluntarily joining the CLEAN MARINE PROGRAM and following the operational practices mandated by this exciting environmental program.

Please help keep our water clean.
